NGS TOWER SPEAKER SKYGAZER

120W-CD PLAYER-BT-USB WIRELESS CHARGER-2.1 SYSTEM

Enjoy room-filling, first class sound from the comfort of your couch.

NGS Sky Gazer is an elegant and complete 2.1 sound system equipped with a CD player, 120 power output, wireless charger and compatible with Bluetooth technology.

This speaker in tower format outstands for its clear and high-quality sound thanks to its wood finish. Sober and modern lines that can be integrated in any space.

You can manage the tower system from your external devices thanks to its several forms of connectivity:

Compatible with Bluetooth Technology, USB, CD Player and AUX IN.

Transfer your music wirelessly up to 10 meters and control your playlist from the tablet, smartphone or remote control incorporated.

Additionally, you can listen to the MP3 files stored in your USB memory for hours and enjoy your favorite playlists.

Play your music by using the CD Player with motorized plate which enables you to rescue your CD´s collection.

The auxiliary input enables to connect any external sound source through a 3.5 mm jack cable.

NGS Sky Gazer incorporates an inductive charging station for wireless charging devices so while we play music, we can load our smartphone.

All the functions can be easily controlled from the upper part of the speaker where you can increase or decrease the volume, Play/Pause a song, select the Play Mode and set the random mode.

Equipped with a LED screen that enables easy readability of the local time, set an alarm, etc.

Finally, NGS Sky Gazer stands out for its stylish and modern design, with a black matte finish and a base to stand on the floor that fits perfectly into every home.
