Lenovo V330-20ICB AIO

Smarter technology for all

A 19.5” all-in-one PC with thoughtful design features that improve usability for employees working at a desk for most of the day. These innovations include an adjustable stand, conveniently located USB ports, an integrated camera privacy cover, and low blue light output - reducing eye strain associated with long-hour use.

MAINSTREAM COMPUTING FOR A VARIETY OF BUSINESS USES

Stylish, space-saving and packed with productivity features, Lenovo V Series All-in-Ones include rotating webcams, adjustable stands and non-reflective screens.

REASONS TO BUY

Configure with the performance and features employees need; choose from Intel Celeron®, Pentium® or Core™ processors, HDD or SSD storage, and an optional DVD burner and 6in1 card reader.

2x front-mounted USB ports and headphone jack for easy access, and a tilt and swivel display stand enabling more comfortable viewing.

This device is highly energy-efficient—with Energy Star®, EPEAT® Silver, and GreenGuard® certifications. Its PSU is rated for 89% efficiency, helping save energy costs.

Recommended for this device

Lenovo Desktop Privacy Filter from 3M

Patented microlouver technology darkens the screen at specific angles to protect against visual hackers

Available in a range of sizes. Includes adhesive strips for easy residue-free removal and multiple on-and-off uses

Reduces glare from bright computer screens and overhead lights

Lenovo Kensington MicroSaver Cable Lock

Cut-resistant cable lock to protect against device theft; 5ft/1.5m cable anchors to desk, table or any fixed structure

Tamper-resistant, disk-style lock provides near-impenetrable theft protection, but still allows users to pivot and rotate devices

Fits a wide range of devices and docking solutions based on the Kensington slot design. Dual head locks available to secure 2 devices to one cable
