Datasheet

HP Pavilion Laptop 13-an0009na

Super-thin and light laptop design. Performance to go. Get out there.

The freedom to do it all from anywhere is a beautiful thing. Our thinnest 33.8 cm (13.3") Pavilion laptop ever delivers multitasking performance in a stunning, ultra-portable design. No matter where your day takes you, the Pavilion 13 Laptop makes it easy to take your ideas, thoughts, and passions along for the ride.

AUDIO BY

Thinner than ever
At only 15.4 mm thin—this PC is built to go wherever you go. Add a smooth metal finish and striking geometric design, and you'll never want to leave it behind.

Power through your day
All your activities become easier and faster than before with the latest processor and all-day battery life. Watch videos, edit photos, and connect to family and friends with all the power you need to get things done.

Impressive entertainment
Bring your photos and videos to life on a vibrant micro-edge display. Dual HP speakers, HP Audio Boost, and tuning by B&O PLAY deliver a truly powerful entertainment experience.

HP Pavilion Laptop 13-an0009na

Featuring

Windows 10
Do great things confidently with the familiar feel of Windows - only better.[7]

8th Generation Intel® Core™ processor
Upgrade performance with smooth system responsiveness and fast load times for an exceptional PC experience. Supporting resolution up to stunning 4K, stream premium content, or even create your own.[6]

FHD IPS display
Enjoy crystal-clear images from any angle. With 178° wide-viewing angles and a vibrant 1920 x 1080 resolution, you'll always have a great view of your favorite content.[9]

Micro Edge display
By squeezing a larger screen into a smaller frame, this ultra-thin, barely visible bezel revolutionizes your display's appearance with a beautifully efficient design.

Highly accurate color
With the 45% NTSC color space, this HP display provides ideal color reproduction with minimal effort. Perfect for photos, videos—all your creative projects.[10]

Visibly brilliant detail
With 220 nits of brightness, view beautiful details, enhanced image quality, and distinct shades of color—even in bright lighting conditions.[10]

A truly powerful audio experience
HP Dual Speakers and audio custom-tuned in collaboration with the experts at B&O PLAY deliver rich, authentic audio. Let the sound move you.

PCIe SSD storage
Available in capacities up to 256 GB, PCIe-based flash storage is up to 17x faster than a traditional 5400-rpm laptop hard drive.[11]

Fingerprint reader
Seamlessly log in into your device in any mode with the touch of your finger. Patented 3-D fingerprint technology ensures secure access and online payments.[12]

USB-C™
Power your device or connect to an external display from just one USB-C™ port with 5 Gb/s signaling rate. And it's reversible, so you never have to worry about plugging in upside down.[13]

USB 3.1 connector
With the world's most popular USB connection, you can easily connect any of your existing USB devices and experience data transfer speeds ten times faster than USB 2.0.

HP Wide Vision HD Camera
The 88-degree, wide-angle field of view lets you video chat with the entire family or group of friends in crystal clear detail.[14]

Backlit keyboard
Keep going even in dimly lit rooms or aboard red-eye flights. With an illuminated keyboard, you can type comfortably in more environments.

Rock-solid connections
Never worry about spotty Internet and weak connections. Stay powerfully connected to Wi-Fi and to Bluetooth® accessories with the latest 802.11 a/c (2x2) WLAN adapter and Bluetooth® 4.2.[15]

Dropbox cloud storage
Store and synchronize your content online with Dropbox. Get 25 GB of storage for one year to access, manage, and share your photos, music, and files from anywhere with Internet access.[16]

Optimized metal design
Streamlined, premium metal design delivers a thinner, lighter PC while providing robust durability—thanks to advanced 3D metal-forming technology.

Sleek design
Easily take this thin and light PC from room to room or on the road. When your PC goes wherever you go, staying productive and entertained has never been easier.

Lift keyboard design
The subtle elevation of the keyboard provides a comfortable typing experience and allows air to circulate, keeping your computer cool.

HP Jumpstart
When you boot up your PC for the first time, get a personal walkthrough during the setup and get an informative overview of your PC's features.

Choose your color
Personalize your PC with your choice of color, for style that matches yours.[22]

[7] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.microsoft.com.
[6] Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance. 4K content required to view full 4K images. System loading time and responsiveness dependent upon product configuration.
[9] Full high-definition (FHD) content is required to view FHD images.
[10] All performance specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower.
[11] Based on HP internal testing using CrystalDiskMark benchmarking software. Performance is sequentially faster (read only) compared to traditional 5,400 rpm HDD
[12] Internet service required and not included.
[13] USB Type-C™ and USB-C™ are trademarks of USB Implementers Forum.
[14] Features may require software or other 3rd party applications to provide the described functionality.
[15] Availability of public wireless access points limited. The specifications for the 802.11ac WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the laptop to communicate with other 802.11ac WLAN devices. Bluetooth® is a trademark owned by its proprietor and used by HP Inc. under license.
[16] 25 GB of free online storage for one year from date of registration. For complete details and terms of use, including cancellation policies, visit the website at www.dropbox.com. Internet service required and not included.
