HG755421UM Built-in Hob

A super-smooth finish for elegant integration

Thanks to its ultraflat fit and finish, this stainless-steel hob can be integrated with the worktop for a single, elegantly smooth surface.

Three rings of flame for maximum heat – perfect for wok cooking

The triple crown burner incorporates three individual rings of flame into one powerful burner to deliver maximum heat. That makes this hob perfect for wok cooking.

Light the gas with just one hand

You have total control over ignition. Simply activate the gas burner you need by gently turning and pressing then knob.

More Benefits :

• Automatic gas shut-off if flame goes out

Features :
