ICY BOX **IB-AC551-C**
USB Type-C™ to HDMI adapter with HDR support

4k video stream

Enjoy all the advantages 4k has to offer. Rich colors, clear contrasts and high resolution let you immerse yourself in any content displayed. The easy handling is guaranteed by the twist-proof USB-Type-C™ plug and the well-known HDMI® connection.

8 Bit **10 Bit**

1 billion colors

Support for 10-Bit color resolution allows the IB-AC551-C to reproduce up to 15 times more colors than usual. The small color details of an image are thus emphasized even more precisely.

Easy home cinema

The high resolution combined with a colourful display brings you a cinema experience at home. Simply connect the IB-AC551-C HDR capable TV and stream comfortably from the medium of your choice.
