Whirlpool induction glass-ceramic hob - SMF 9010 C/NE/IXL

10 induction rings. flexiCook zone technology, allowing you to combine multiple burners into a single cooking zone, for larger pots and pans. Electric power supply. An elegant technology, that heats the pan, not the hob, reducing energy dispersion and providing perfect cooking results. This Whirlpool induction glass-ceramic Hob features:

6thSenseLive App
To explore new recipes with enlightening tutorials, schedule meals, and discover endless ways to enjoy an intuitive cooking experience on Whirlpool induction hobs.

Induction technology
Faster, energy-efficient cooking. Induction technology heats the pan, not the hob, reducing energy dispersion by 10%, and providing perfect cooking results.

FlexiFull
Cook anywhere on the completely flexible surface with pans of all shapes and sizes.

Smart Grilling
The Grill function is designed to cook your grilled dishes to perfection, thanks to a special heat detector that constantly monitors the cooking temperature.

Smart Frying
The Fry function allows you to enjoy delicious, crispy fried dishes, thanks to a special heat detector which constantly monitors the cooking temperature.

French Plaque
Chef Control is an innovative cooking tool that allows you to cook without having to adjust temperatures via the hob. Simply shift the pots around on the cooking surface and enjoy delicious meals!

Front Controls
Complete control over your cooking. Easily accessible and genuinely intuitive, the controls are conveniently positioned on the front panel of your hob, providing a frictionless cooking experience.

SmartCook
Smart Sense gives you the latest in assisted cooking technology, for creating outstanding dishes, effortlessly. Powered by 6th Sense.

Sensor Cooking
Great results, recipe after recipe, with 6TH SENSE sensors' temperature adjustments.
