Houston 16’’ Clamshell Bag

For your everyday commute and travelling, the Gearlab® Houston Clamshell Bag provides sleek protection for laptops up to 40.6cm (16”).

The slimline bag has a top carrying handle, a detachable shoulder strap and non-Skid square rubber feet on the bottom for added protection.

The main compartment has a moveable divider to fit laptop size, and a large front pocket offers plenty of space for papers, business cards and pens.

Features

- Zippered front exterior pocket with space for business cards, passport, pens, power bank, phone and other smaller items you’ll need during the day.
- Main compartment with dedicated storage for laptop - and with laptop strap and velcro divider for charger and cables - and plenty of space for papers, etc.
- Fits most laptops up to 15.6’’
- Dimensions: 43 x 33 x 7.5 cm
