ComfortCut Blades

Get a clean shave that's comfortable on your skin. Rounded blade caps shield 27 self-sharpening blades to gently cut hair just above skin level and help the shaver glide smoothly over your skin.

3D Floating Heads

Get a convenient, clean shave with the 3-directional floating heads. They move to adjust to the curves of your face, creating smooth contact with your skin without a lot of pressure.

Aquatec Wet or Dry

Get a convenient dry shave or a more comfortable wet shave with gel or foam, even in the shower.

One-touch open

Clean the shaver with ease. At the touch of a button, flip open the shaver head and rinse with water.

1-level battery indicator

Use the intuitive indicator to see when the shaver battery is low, empty or fully charged.

45 minutes of cordless shaving

Shave cordlessly for up to 45 minutes after a 1-hour charge. The shaver only operates when not charging.

5-minute quick charge

In a hurry? Plug in your shaver for 5 minutes and get enough power for 1 full shave.

27 self-sharpening blades

Get a consistently clean shave every time with 27 self-sharpening precision-engineered blades.

Pop-up trimmer

Finish your look with the built-in trimmer. It's ideal for maintaining your mustache and trimming your sideburns.
