NanoCell TV delivers a broad spectrum of color and lifelike accuracy with advanced NanoCell technology, which makes LG Hotel TV best ever.

Nano Bezel

The minimalist design of the Nano Bezel makes you absorbed in the picture.

Nano Slim

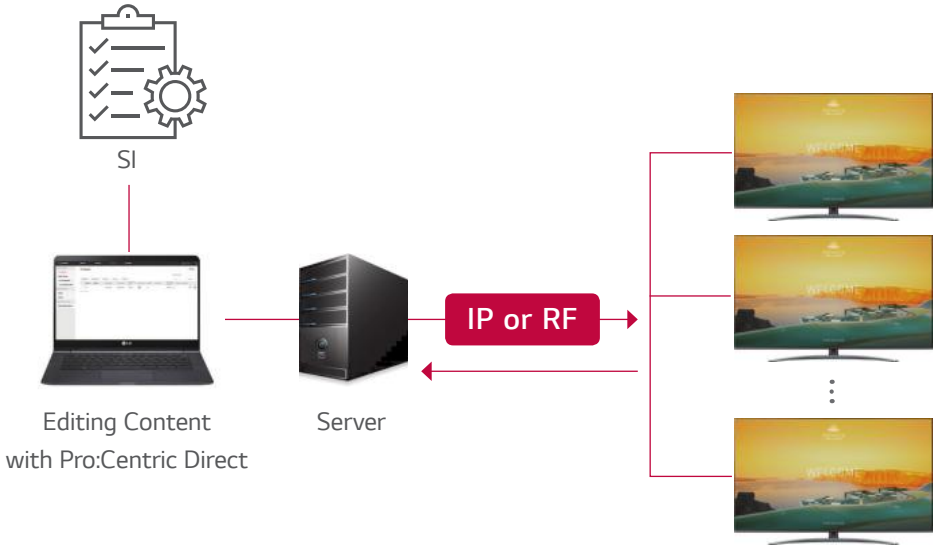

Slim & Modern design harmonizes with your space.

Pro:Centric Direct Solution

Personalize the guest room television experience with the Pro:Centric Direct, which is a hotel content management system that supports simple editing tools and provides guests' access to a variety of additional features, such as an interactive Electronic Program Guide (EPG), weather forecast and customized electronic billboards for information on hotel amenities. These are all conveniently presented through the on-screen menus and controlled by their TV remote control.

With this solution, users can easily edit the user interface, provide customized service, and efficiently manage all TVs.

* Actual UI may slightly differ when implemented.

Instant On

The high speed loading system enables users to enjoy content immediately after turning on the TV.

Commercial Swivel Stand

Expand the range of comfort for the guests with a commercial grade stand by allowing them to watch a TV from any angle.

* 55, 49 inch only

EzManager

EzManager provides a convenient installation function for automatically set up Pro: Centric TV settings without the extra effort of configuration. Auto-installation requires 1-3 minutes while manual installation requires 3-5 minutes.

on Initial Installation

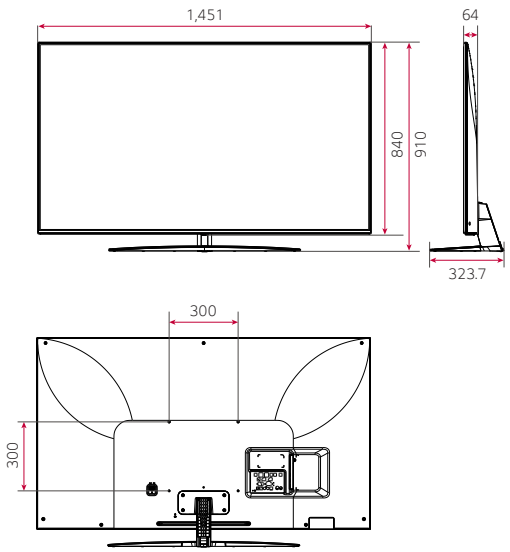

Pro:Idiom

Prevent any illegal copying of content with widely used DRM (Digital Right Management).
