Highlights

All you need is in the box
The product is delivered with all the required accessories that allows the consumer to enjoy the product without having to return to the shop and buy a part that is required.

Easy 3 step installation
By using the 1-2-3 installation steps the mount can by easily installed by yourself with the confidence of a straight result (drill tools not supplied)

VESA compliant
This product has near universal compatibility through its support for the VESA mounting patterns.

(c)UL and GS safety Certified
This mount meets and exceeds safety standards as certified by official certification organisations like (c)UL and GS.

Exclusive arc design
The exclusive arc design incorporated in this wall mount allows you to adjust the levelling of the TV by simply sliding the TV sideways (patent pending).

High strength aluminium alloy
The innovative aluminium alloy materials used for the construction of this mount are of high strength and still lightweight. The height strength enables a small and safe design. The lightweight material characteristic results in decreased transportation efforts that help reduce environmental impart of this product.

Screen sizes 48-79 cm/19"-31"
The wall mount is capable of holding TVs with different screen sizes.

For TVs up to 20 kg/44 lb
This wall mount is certified for TVs up to 20 kg/44 lb.

Tilts 15° down
Allow the TV to be adjusted down 15° to attain the optimum viewing angle.
