HP 22 All-in-One PC 22-c0015nh

Beautiful All-in-One design. Built to perform.

This beautiful, powerful All-in-One PC has the storage to satisfy all your family's needs and help you get things done. Whether it's for work or play—you've found highly attractive design to match high performance.

Space and performance
With a high performance processor and enough storage for you and your family, seamlessly go from sending work emails to uploading vacation photos with ease.

A centerpiece for the home
Bring home a modern look and feel. This All-in-One PC displays more with an ultra-thin bezel and has an adjustable tilt stand allowing you to work from multiple perspectives. Designed to brighten any room.

Peace of mind you deserve
This PC makes it easy to stay connected to family and friends. Includes an HD camera—equipped with a slide switch for privacy—plus, built-in speakers and easy Wi-Fi connectivity. Now, you can stay in touch while maintaining peace of mind.

Datasheet

HP 22 All-in-One PC 22-c0015nh

Featuring

Micro Edge display
By squeezing a larger screen into a smaller frame, this ultra-thin, barely visible bezel revolutionizes your display's appearance with a beautifully efficient design.

HP Privacy Camera switch
This innovative webcam has a switch designed to cover the camera and disable video when not in use, keeping you safe online.

Quad front-facing speakers
Pump up the volume to your favorite music, movie or game. When your audio is directed towards you, nothing comes between you and your entertainment.

Quality everyone can count on
Life can be unpredictable, but your HP All-in-One shouldn't be. Backed by over 100 individual tests, our laptops go through it all to deliver durability you can trust and reliability you can count on.
