NGS USB HEADSET VOX800 USB

USB STEREO HEADSET MUTE, VOL+ & VOL CONTROLS

NGS Vox 800 USB, a high-quality stereo headset with an adjustable microphone and UBS connection for PC and laptops.

Ideal for online gaming sessions, listening to music, chatting and all Voice-Over-IP and interactive PC audio applications providing clear sound quality.

The speaker features large cushioned ear pads for maximum comfort and a soft padded adjustable headband.

The integrated volume control is equipped with a regulator as well as microphone and music mute buttons.

Exclusive noise cancelling and amplification technology to filter out unwanted background noise. NGS Vox 800 USB reproduces an outstanding sound quality with a frequency response of 20hz – 20Khz and a sensibility and impedance of 97 dB and 32 Ohm/Hz respectively.

NGS Vox 800 USB has been designed to enjoy music and movies on your computer, playing computer games, teleworking and chatting.

Finally, it includes a sensitive microphone with flexible design providing clear speech quality.
