- Packaging type: Carton

Highlights

2800 Joules
Prevent thousands of dollars of damage to your electronic devices.

$250,000 equipment warranty
Protects your connected equipment for the life of the product.

Protected phone/DSL connection
Sidactors are used for protecting the phone lines. These connectors accomodate and RJ11 cord, routing the telephone line through the surge protector to guard against spikes and surges.

Power Blocker
Automatically shuts down power to the connected devices.

8 outlets
Converts one outlet into eight outlets allowing you to plug in multiple devices from one single AC outlet.

4 ft power cord
Provides power to the unit which can be 4 feet from the AC outlet.

Right angle plug
This flat design allows for more positioning options and lets furniture sit more closely to the wall.

Cord Management
A cord management device that allows the cable/ cords to be routed in the same direction for a more organized appearance

automatic child safety outlets
Helps keep children safe from accidental shock.

Protection indicators
LED lights let you know if your surge protector is functioning properly.
