Highlights

1440 Joules
Prevent thousands of dollars of damage to your electronic devices.

Protected phone/DSL connection
Sidactors are used for protecting the phone lines. These connectors accomodate and RJ11 cord, routing the telephone line through the surge protector to guard against spikes and surges.

$150,000 equipment warranty

Protects your connected equipment for the life of the product.

Power Blocker
Automatically shuts down power to the connected devices.

6 Outlets - 1 adapter spaced
6 Outlets - 1 adapter spaced outlet that allows you to plug in an oversized adapter plug with out blocking other outlets.

3 ft power cord
Provides power to the unit which can be 3 feet from the AC outlet.

Right angle plug
This flat design allows for more positioning options and lets furniture sit more closely to the wall.

Slide covers for child safety
A safety feature that safely covers an exposed electrical outlet by sliding the cover into a closed position

Protection indicators
LED lights let you know if your surge protector is functioning properly.
