AEG

# VX6 Bagged Vacuum Cleaner Canister

## VX6-2-CB-P

### Product Benefits & Features

**Power Pro System™ to clean all floors with ease**
PowerForce™ comes with our Power Pro System™ for perfect cleaning results. Power Pro System™ combines an efficient motor and the DustPro™ nozzle, enabling you to clean perfectly anywhere you wish - be it on carpet or hard surfaces.

**360° Motion Technology™ to easily reach around corners**
All the small things we have in our homes give us a homey feel, but also make it hard to clean. That's why the the VX6 is equipped with small rotating wheels that are ideal for vacuuming around objects and reaching otherwise hardly accessible areas with ease.

**180° Access™ Lid for full access and a fast dust bag exchange**
Make emptying your dustbag effortless, fast and clean. The 180° access lid gives you full access to the body of the vacuum, letting you replace your dust bag in a matter of seconds.

- Extremely silent
- Sliding power control
- Dustbag Full Indicator
- Parking clip side and back
- Front handle
