Static Low Frost Integrated Fridge Freezer 177.2 cm A+

SCB6181XLS

Faster, more efficient defrosting
Time is of the essence when you're defrosting your freezer. To help you keep disruption to a minimum, this fridge-freezer comes with efficient LowFrost technology, which makes the defrosting faster and less frequent as ever before. As a result, you can soon start using your appliance at full capacity once more.

Time is of the essence when you're defrosting your freezer. To help you keep disruption to a minimum, this fridge-freezer comes with efficient LowFrost technology, which makes the defrosting faster and less frequent as ever before. As a result, you can soon start using your appliance at full capacity once more.

Product Benefits & Features

Take complete control of the settings at the touch of a finger
This LED display with advanced Touch Controls lets you take full control of the storage conditions of your food. The controls are so sensitive that they can be precisely adjusted with just the lightest touch of a finger, while feedback can be viewed at a glance thanks to the clear LED screen on the internal control panel.

Bright and even light that shines into every corner of your fridge
LED lights represent the most cutting edge lighting technology, which is why AEG-Electrolux has integrated them inside this fridge freezer. The internal LED lighting produces a brighter light, which shines evenly across the whole space. Plus, LED technology is smaller and more energy efficient, for

Perfectly fresh food – straight from your freezer
The FastFreeze function activates the maximum freezing power, so your fresh produce freezes as quickly as possible. The freezer then returns to its normal setting.

A brighter, more flexible freezer
This FlexiSpace freezer has a brighter, more pleasant interior, and its removable shelves and drawers make organising larger items much more straightforward.

- LCD touch display
- Electronic temperature control
- 199 litres gross fridge capacity
- 196 litres net fridge capacity
