Product Benefits & Features

Preserve with precision
Preserve produce at the ideal temperature. Select from 0, 3 or 5°C inside the chiller-drawer to maintain the taste and texture of ingredients. With an LED light, finding the right food is faster.

Control what's happening on the inside
See and control what's happening inside your Fridge Freezer with its clear and precise exterior controls.

Chilled water, straight from your fridge
Enjoy fresh and chilled water, straight from your fridge. With a fully integrated water dispenser, the tap in your fridge door provides a supply of fresh, chilled water whenever you like.

Anti-fingerprint stainless-steel finish of door and handles
The professional anti-fingerprint stainless-steel finish of the door and handles aligns perfectly with any high-performance design kitchen.

Keep your freezer entirely ice free
Thanks to NoFrost – the best ice-free technology available – you can be sure of a high-performing freezer that never requires defrosting.
