AEG

Gas Hob 90 cm

HGB95520YM

Professional performance thanks to larger cooking area
This hob's larger cooking area provides the space you need to cook to professional standards, especially when larger, specialist pans are required.

This hob's larger cooking area provides the space you need to cook to professional standards, especially when larger, specialist pans are required.

Product Benefits & Features

New generation of Burners
The design of the speed burners in this AEG gas hob allows the flame to directly target the bottom of the pan, providing quicker heat and greater efficiency. These high speed burners get you cooking up to 20% faster.

- Steel capped control knobs
- Rotary front controls on glass panel
- Rotary controls
- Cast iron pan supports
- Automatic integrated ignition
- Safety gas cut off using thermocouples

Keep your pans steady and the heat in the right place
Cast iron pan supports provide a robust, durable cooking support with a professional appearance. Safe and long lasting, our cast-iron pan supports provide a robust cooking surface with a highly professional appearance. Your pots and pans will always have the support they require
