6000 Series Freestanding Washing Machine 7 kg 1400 rpm

L6FBI741N

Meet the everyday classic preserver
AEG AutoDose washing machines will see your confidence in washing restored. Load the machine as normal and the sensor will accurately adjust water, energy and washing time to the nearest 1kg of clothes.
Based on this, the precise amount of detergent and softener is automatically dosed. The precise dosage cleans, protects and

Quality clothes are made to be worn, but everyday pieces need care to maintain their condition. Whether you wash one shirt or a full load, AEG washing machines will adjust the cycle accordingly, reducing wear and tear by taking the minimum amount of time, water and energy necessary for a thorough clean. Keeping clothes looking

Product Benefits & Features

Caring for clothes. Saving water and energy
ProSense technology® automatically weighs each load to provide a tailored cycle. Sensors then adjust washing times precisely, ensuring optimum treatment for every garment. Your laundry comes out with that fresh, new feeling every time, plus you save water and energy.

Protection for your clothes
All AEG machines have our ProTex gentle drum, specially designed to take care of your clothes. Gentle water jets lift and protect your laundry as it washes. With more holes than standard machines, our drum reduces the stretching of fabric, maintaining the shape and texture of clothes during spin

Choose the right time to wash
Delay Start gives you the freedom to do your washing at the time you prefer by allowing you to automatically set the start time of your washing cycle.

EASY ACCESS WHILE LOADING AND UNLOADING
The generously sized door and porthole make loading and unloading your laundry accessible and convenient.

FULL CONTROL AT YOUR FINGERTIPS
To give you full control over the washing conditions for each load, the touch control display provides intuitive guidance on all washing options, information and settings.

- 7 kg wash capacity
- 1400 spin speed RPM
- Programmes include:
- Wool plus programme
- Easy iron programme
- Delicate programme
- Cottons programmes
- Synthetics programmes
- Options include:
- Ultra quick wash
