Product Benefits & Features

Pan supports in elegant, modern design
The cooker's cast-iron pan supports have a modern and stylish design. Elegant yet highly functional, they perfectly support all sizes and shapes of pans.

Efficiently clean. No effort required
Taking taste to the next level shouldn't result in intensive cleaning. The catalytic cleaning activates at 200°C. Absorbing grease and residue without a trace. So the cooker is kept clean every time it's required for creating recipes.

Optimal grilling results
Full grill heating element for optimal grilling results

Up-to-the-second knowledge of when your dish is ready
The minute-minder function on this cooker gives you closer control over the cooking process. It alerts you of the exact second when your pre-set cooking period ends.

Perfectly bake even the largest batches
The XL Baking Tray is larger than standard-sized baking trays, enabling you to turn out larger batches of sweet treats, with the satisfaction that every single one has been perfectly baked.
