AEG

Frost Free Freestanding Upright Freezer 155 cm A++

AGB62226NX

Keep your freezer entirely ice free
Thanks to NoFrost, the best ice-free technology available, you can be sure of a high-performing freezer that never requires defrosting.

Thanks to NoFrost, the best ice-free technology available, you can be sure of a high-performing freezer that never requires defrosting.

Product Benefits & Features

A++ class – 21% more efficient than A+-class, comparing the classes
Preserve your food with greater energy efficiency - using this A++ class upright freezer. Energy class A++ is 21% more energy efficient than class A+, comparing the classes.

Perfectly fresh food – straight from your freezer
The FastFreeze function activates the maximum freezing power, so your fresh produce freezes as quickly as possible. The freezer then returns to its normal setting.

Freezer with storage solution for large items
The MaxiBox drawer was specially designed as a solution for the storage of large items in the freezer. This drawer enables you to organize the space in the best way according to your needs.

Separate your frozen food in the best way
With drawers with runners in this Upright freezer, you have different options for arranging your food in the way that suits you best. You can either separate meat from vegetables, or protect softer items from heavier ones.

The freezer door with an anti-fingerprint finish
This stainless-steel freezer door has a professional look and anti-fingerprint finish, integrating perfectly with any contemporary kitchen.

- Frostmatic fast freeze function
- Precision freezing system
- Audible and visable high temperature warning signal
- Door open warning alarm
- 224 litres gross capacity
- 180 litres net capacity
- 4 Full Width+1 Half Depth transparent freezer drawers
