Integrated Dishwasher with AirDry Technology

FSS53627Z

Corner-to-corner. Covered
Even closely-stacked or larger dishes receive corner-to-corner cleaning with SatelliteClean®. The innovative spray arm guarantees water reaches everywhere. For deep-cleaning. With up to three-times better spray coverage, it provides stunning results across every surface.

Even closely-stacked or larger dishes receive corner-to-corner cleaning with SatelliteClean®. The innovative spray arm guarantees water reaches everywhere. For deep-cleaning. With up to three-times better spray coverage, it provides stunning results across every surface.

Product Benefits & Features

Powerful dishwashing. With SatelliteClean®
Experience impeccable dishwashing with SatelliteClean®. This spray arm has three-times better coverage than the standard. Because the double rotating arm constantly changes the angle of the spray. Water reaches every corner. For a complete clean.

Effortless cycle-setting with QuickSelect
QuickSelect offers optimal control over the dishwasher. Choose the cycle time with the slider and add extra treatments with a tap. Then the machine will do the rest. Get tailored cleaning delivered at a time that suits. And spotless dishes.

Open-door drying with AirDry
AirDry technology delivers up to three times better drying performance when compared to closed-door systems. The door automatically opens at the end of the drying phase and air is circulated inside the machine. Dishes emerge perfectly dry. Every time.

At-a-glance check
This dishwasher has a clever way to keep you fully up to date with the status of your dishes. Its beam-on-floor technlogy projects a red light onto the floor while the cycle is still in progress. And when everything is ready to unload, it switches to a green one. Simple, and effective.

Seamless integration
PerfectFit Sliding Hinge system makes for seamless dishwasher installation. It accomodates all niche machine heights and removes the need to cut the plinth. Fit for any modern kitchen.

- Capacity: 13 place settings
- Sensorlogic
- 3 temperature settings
- 7 programmes including:
- Multi-tab
- Delay start of up to 24 hours
- Time remaining indicator
- Height adjustable upper basket
- Floor beam to update you on wash status
- End of programme audible alarm

Integrated Dishwasher with AirDry Technology
