AEG

Gas Cooker
CKB6540ACM

Cook completely different dishes simultaneously
This double oven provides greater versatility, allowing you to cook in larger volumes, or easily cook completely different dishes simultaneously.

This double oven provides greater versatility, allowing you to cook in larger volumes, or easily cook completely different dishes simultaneously.

Product Benefits & Features

Ignite. Sear. Serve.
Quick cooking with gas
Expect fast results with the gas hob on the freestanding cooker. It provides powerful, highly responsive heating. So pots and pans are ready to cook with as soon as the flame is ignited. Meaning less waiting, and more focus on finessing flavours.

Efficiently clean. No effort required
Taking taste to the next level shouldn't result in intensive cleaning. The catalytic cleaning activates at 200°C. Absorbing grease and residue without a trace. So the cooker is kept clean every time it's required for creating recipes.

Pan supports in elegant, modern design
The cooker's cast-iron pan supports have a modern and stylish design. Elegant yet highly functional, they perfectly support all sizes and shapes of pans.

Precise cooking. Down to the minute
Enjoy closer control over cooking with the Minute Minder. Start the countdown when food goes in the oven. An acoustic signal sounds when everything's ready. Enjoy an exquisite meal to savour. Without the hassle of timekeeping.

Perfectly bake even the largest batches
Compared with standard trays, this extra-large MaxiTray™ baking tray is 20% bigger, making it possible for you to prepare even larger batches of delicious baked goods.

- Heat activated catalytic cleaning
- Hob features:
- Front right zone: Simmer burner
- Rear left zone: Semi-rapid burner
- Rear right zone: Semi-rapid burner
- Gas hob with cast iron pan supports
- Top oven features include:
- Main oven features include:
- Conventional cooking
- Gas safety thermocouples
- Cooling fan
- Isofront® plus triple glazed door
- Main oven energy class: A
- Top oven energy class: A

Product Specification

Dimensions	894-912x600x600
Voltage	240
Total electricity loading, W	5200
Required Fuse	30
Cavity size	77
Volume usable, l	39
Largest Surface area	1254
Colour	Stainless steel
Cleaning	Catalytic
Cleaning Bottom Oven	Catalytic
Power Management	No
Energy class	A
Energy efficiency class	A
Energy consumption, hot air, kWh/cycle	0.83
Energy consumption per EU standard cycle	0.75
Right front - Power/Diameter	1000W/66mm
Right rear - Power/Diameter	1900W/80mm
Dial	3000W/109mm
Rear - Power/Diameter	1900W/80mm
Tray types included	1 Dripping pan black enamel
Type of Trays - Bottom Oven	No
Grids	2 Flat shelf chromed wirework

Grids type - Bottom Oven	1 Grill pan grid chromed wirework, 1 Flat shelf chromed wirework
Runners	Grid Runners with Stop
Runners - Bottom Oven	Grid Runners
Gas supply: natural gas	G20 (2H) 20 mbar
