

Cat6 Bulk Cable, Solid, 23 AWG

UTP, 305 m (1,000 ft.), Solid Copper, Pull Box, CM Rated, Blue

Part No.: 705059

EAN-13: 0766623705059 | UPC: 766623705059

Cat6 Bulk Cable — Ethernet cable designed for today's applications

Intellinet Network Solutions Cat6 Bulk Cable allows for a better signal-to-noise ratio with minimal loss, which translates to faster and reliable networks for today's applications. With 305 m (1,000 ft.) of Cat6 Ethernet cable available for installation in 1-2 family and residential risers or in risers with raceways and fireproof shafts, cable runs can be done with more confidence that intended Ethernet applications are complete and secure. This cable also features UL certification for confirmed quality.

Features:

- UTP, Unshielded Twisted Pair
- Can be used in riser with raceway/fireproof shaft
- Standards tested; meets or exceeds current Cat6 proposed standards
- Length-usage log on box to track remaining cable available for next job
- Lifetime warranty

Specifications:

General
