NGS PC LIFT STAND

RIGID - ERGONOMIC - ADJUSTABLE TO 10º & 15º - LIGHTWEIGHT

NGS Lift Stand is an ultra slim, foldable, and antiskid Laptop stand.

This **universal stand** is compatible with most of up to 15-inch laptops available on the market.

It stands out for its easy and quick installation, thanks to its **non-slip adhesive tape** the stand is fixed to the back part of the device, ensuring a perfect grip and preventing it from moving. NGS Lift Stand is equipped with **two** adhesive tapes to guarantee a long life of the product.

Due to its **origami style**, its assembly is quite simple and it will be ready to use in the twinkling of an eye. The stand will be hidden under the laptop and will not be noticed, feeling “invisible”.

Thanks to its lightweight, only **64 grams and reduced size 22.5 x 13. 5 cm**, you can transport the stand anywhere and enjoy ergonomic comfort without sacrificing functionality. Made of high quality and resistant materials, its integrated folding design will save a lot of space.

NGS Lift Stand will allow you to find the perfect posture and keep the laptop raised to your correct height, it offers two positions of adjustable inclination: **10 and 15 degrees**.

This height can be adjusted with a simple hand gesture, in just 1 second!

It provides comfort and ergonomics, **improving the body posture**, we just have to select the position that suits us best and we will notice the effects of a perfect tilt in the position of the back, wrists and eyes.

In addition, it **increases the airflow between the laptop and the table** which contributes to dissipate the heat.

The sturdy support has a triangular structure, which improves stability and allows a **load capacity of up to 8 kg**. Finally, it incorporates **two rubber pads** on the bottom to prevent displacement while you use it, ensuring stability and better grip while working.
