Ortronics
SPLICE CLAMP KIT 2 STR CLAMPS BK
Part No. P820127HB

Clamps are used to junction runway sections together in a variety of configurations. Whether sections are extended in-line or junctioned perpendicularly or are transitioned from horizontal to vertical, clamps provide a solid connection to assure the runway layout will provide the necessary support for your cabling.

Features & Benefits

Adjustable Angle Splices junction runway sections from Separate horizontal planes for smooth vertical transitions: Provides a solid connection to assure runway layout will provide the necessary support for your cabling.

Specifications

General Info

Product Line	Ortronics	UPC Number	662875916512
Country Of Origin	United States		

Additional Information

RoHS Conformant	Yes
