EW1538

Monitor Tabletop Mount with gas spring for 2 Monitors up to 27 inch

Ergonomic Tabletop mount for two monitors up to 27 inch

- Easy height adjustable to your preferred position without tools by its convenient gas spring system
- With cable management system
- Ergonomic desk mount: screen adjustment (tilt/rotate/swivel) and screen height adjustable

DESCRIPTION

Create an ergonomic and space-saving work environment by using the full metal EW1538 Desk Mount for 2 monitors with gas spring. Place the screens to your ideal height and viewing angle with only one hand by its convenient gas spring system. Ideal for flexible workspaces! The EW1538 Desk Mount is suitable for two screens up to 27 inch and 2-7kg each
Ideal for flexible workspaces
When working in an office space with flexible workspaces, you can use the EW1538 Dual Desk Mount with gas spring. The EW1538 is easy adjustable in height and depth without any tools. Tilt, swivel and rotate your screens to create an ideal ergonomic work space and reduce the risk of neck, back and shoulder complaints. Cables are kept out of sight thanks to the cable management system.
