Specification Sheet

Humanscale®

Diffrient World, World One, Cascade Mesh Black

Model Number: WLT1BR10R10
Commercial Price (As of 08/04/23): £620.00
Buy Online: £620.00 includes VAT

FEATURES

- Tri-panel, non-stretch mesh construction creates body-fitting contours and self-adjusting lumbar support for an automatic, customized fit
- Provides appropriate support and automatic resistance regardless of user's size
- No unnecessary recline locks or tension springs to set or adjust
- No external lumbar devices to adjust, break or lose
- Size-adjustable to fit the widest range of body sizes
- Frame-less front edge eliminates contact stress behind the knee
- Standard casters for hard surfaces
- Designed for users up to 300 lbs
