Lino HD Soundbar With Bluetooth

Style and Sound in One

Music really can both look and sound good – the Trust Lino HD Soundbar With Bluetooth proves this to be true. With great sound quality packaged in a stylish and sleek design, this soundbar embodies it all.

Stereo Sound Experience

A high-density soundbar, the Trust Lino HD Soundbar With Bluetooth is compact in size, but big in sound. It boasts powerful and rich stereo sound, by way of DSP technology and 80W peak power, and with 3 audio pre-sets - for listening to music, watching TV or enjoying a movie - you can finetune your audio experience.

Design That Speaks

Nothing complements your studio or living room better than a stylish, soft edged and metal grilled soundbar design – which also manages to fill the room with rich and clear sound. A model that fits perfectly below every screen, this is the audio device that amplifies any movie, song or game.

Play Your Way

Offering maximum compatibility, you can connect the Lino to your PC, TV, console, set top box, phone, tablet and many more devices. Play wirelessly via Bluetooth, or wired via digital or analogue inputs (cables included). And with touch controls on the soundbar and a wireless remote to control all important functions, you can take charge.
