

Stereo Headset

Lightweight design with microphone and in-line volume control

Part No.: 179638

EAN-13: 0766623179638 | UPC: 766623179638

Practical headset with full features

The Manhattan Stereo Headset combines quality performance, comfortable design with a good value. The padded foam ear cushions and single headband adjust to fit almost any listener. Its lightweight design with flexible boom microphone provides quality audio performance and hands-free online communications. An in-line rotary control fingertip provides convenience for quick volume adjustments. A long, durable cable helps maintain a reliable connection from almost anywhere in the room.

Features:

- Stereo headphones with foam earpads
- Adjustable microphone and in-line volume control for hands-free communication
- Easy installation with 3.5 mm stereo plugs
- Long cord easily reaches desktop and notebook computers and other devices
- Three-Year Warranty
