Key Selling Points

- Increased strength, durability, and scratch resistance come from our ion exchange technology which improves surface compression.
- Anti-bacterial technology that kills 99.99% of the most common surface bacteria is built into the glass and never wears off.
- ClearPrint™ is a revolutionary oil-dispersing treatment, exclusive to Glass Elite, that makes fingerprints nearly invisible.
- The reinforced edges prevent chips and cracks from starting and spreading.
- Glass Elite+ preserves your screen's touch sensitivity so that it responds to every tap and swipe.

All InvisibleShield screen protectors come with a Limited Lifetime Warranty*.
