ZCO-900 Zigbee Co Detector ML

#71260

Wireless carbon monoxide detector that alerts you with sound and/or push notifications on your smartphone/tablet

Key features

- Receive a push message in time when a dangerous concentration of carbon monoxide gas is detected; works anywhere in the world
- Carbon monoxide is an invisible and odorless gas that can be life-threatening. This gas is produced in the event of incomplete combustion in, for example, central heating boilers and gas stoves
- Loud acoustic alarm of 85 dB
- Tested according to the strictest compliance and quality standards.
- Warning sound with low battery
- Check sensor and battery status on your smartphone/tablet
