*Number of recipes may vary per country
***Compared to the fat content of the chicken and pork prepared versus a deep fat fryer and wok frying
*****Compared to fresh chips prepared in a Philips conventional fryer
*******Average percentages based on internal lab measurement with products HD9280, HD9650, HD9860, HD9270, HD9285, HD9252, HD9200, HD9255, HD9880

Highlights

Select, set and relax

Choose a recipe, send it to the Airfryer and monitor the progress of your cooking – from the comfort of your sofa. When your dish is done, you will receive an alert.

Rapid Air technology

Rapid Air Technology, with its unique starfish design, swirls hot air to create delicious foods that are crispy on the outside and tender on the inside, with little-to-no added oil.

Air is the new oil

The Philips Airfryer uses hot air to cook your favourite foods to crispy perfection, with up to 90% less fat.*

13-in-1 cooking functions

The Philips Airfryer opens up a world of possibilities: fry, bake, grill, roast, dehydrate, toast, defrost, reheat and many more.

Keep warm function

Enjoy your meal whenever you're ready. Hit the Keep Warm mode and your food will stay at the ideal temperature for up to 30 minutes.

Amazon Alexa compatible

Voice control enabled, compatible with Amazon Alexa.

Tasty Airfryer recipes

Discover hundreds* of mouthwatering Airfryer recipes that are tasty, healthy and convenient to make. Most recipes in the HomeID App are curated by nutritional experts for everyday cooking.

Touch screen with 7 presets

Touch a button and cook. Pre-set programs include frozen snacks, fresh fries, meat, fish, chicken drumsticks, cake and even grilled veggies.

Easy to use and clean

All removable parts are dishwasher-safe. Our Airfryer's QuickClean basket has a non-stick coating for easy cleaning. Frying with air also means your home will be free from the odour of traditional deep frying.
