NGS WIRED SET COCOA KIT

MULTIMEDIA WIRED DESKTOP KIT

NGS Cocoa Kit is a reliable wired keyboard and mouse combo that stands out for its functionality, the technical features will greatly facilitate the daily computing tasks.

The keyboard has also been designed with rounded shapes and black colored that confers an elegant look. Furthermore its silent keys turn it into a comfortable accessory for your computer.

This Kit is provided with 12 commonly used multimedia keys that enable users with their daily computing tasks, such as: direct access to the Internet browser, computer sleep mode, volume control and mute, etc.
It also incorporates an original and spill resistant design.

The 1000 dpi optical mouse features fast response and high precision movements. Includes anti-skid scroll to provide extra grip and is also suitable for right- and left-handed use.

Furthermore, NGS Cocoa Kit includes Plug & Play function that permits connecting the mouse and keyboard through their USB connector to the computer immediately.
