NGS USB HEADSET VOX505 USB

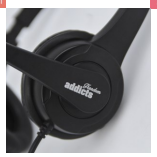

USB STEREO HEADSET WITH VOLUME CONTROL

NGS Vox505 USB, high quality stereo headset with adjustable microphone and USB connection compatible with PCs, laptops and game consoles with USB input.

Ideal for all voice over IP communication and other interactive PC audio applications due to its excellent voice clarity.

Its **quilted, ultra-soft pads**, as well as its **adjustable headband**, provide excellent comfort.

The easily accessible **volume control** is **built into the left earphone**.

It is remarkably light, only weighing **80 grams** and has a **1.5 meter** cable that allows for plenty of freedom of movement.

Featuring **exclusive filtering and amplification technology**, they offer crystal-clear **sound quality** with a frequency response of **20Hz ~ 20kHz** and a sensitivity and impedance of **105 dB and 32 Ohm/Hz** respectively

An original screen printing with the brand's leitmotif: "Freedom Addicts", adds a fun touch.

NGS Vox505 USB is **ideal for online gaming sessions, listening to music, chatting and using telephony applications** such as Skype, Hangouts, Teams, Zoom, Meets, etc.
