Highlights

Translucent water tank

LED power switch

The red light on the switch button illuminates when the coffee maker is switched on.

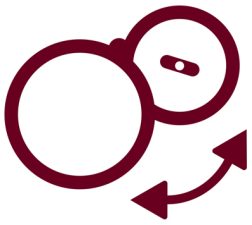

Dishwasher-proof filter and jug

Drip stop

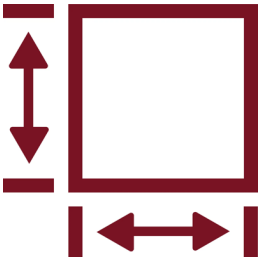

Swing filter holder

The filter holder is opened by swinging it to the side, which makes it easy to fill up with coffee. The filter holder is also detachable for easy cleaning.

Compact design

This coffee maker is especially designed for brewing 2 to 7 cups of coffee (maximum 0.6 litres). Thanks to its very compact design, this coffee maker takes little place in your kitchen.
