PHILIPS

Philips Daily Collection Food processor

HR7620/70

- 500 W
- 2 L bowl

Save space and effort

Ultra-compact vertical design food processor

- All accessories fit in the bowl for compact storage
- Vertical design takes up to 35% less kitchen space
- 2 speeds and pulse
- Easily performs 15+ functions
- 500 Watt motor to handle large quantities and heavy kneading

Highlights

MicroStore

Microstore allows you to store all your accessories inside the bowl for easy and compact storage.

Vertical design

The special vertical design has a 35% smaller footprint versus side-by-side food processors. This saves valuable worktop space and means that even the smallest kitchens can now have a food processor.

2 speeds and pulse

The Philips food processor has two speed settings to match hard or soft ingredients. Plus, a pulse function for chopping garlic or crushing ice, for example.

15+ functions

The Food Processor comes with 5 different accessories that enable it to perform 15+ different functions. The dishwasher-safe accessories are: a kneading tool for mixing batter and for heavy kneading; a stainless steel chopping knife for preparing meat and vegetables; metal disc inserts for handling medium shredding and granulating; and an emulsifying disc for preparing food like whipped cream and mayonnaise.

500 W motor + 2 speeds + pulse

500 W

With the 500 W motor plus 2 speed settings and pulse button you can pick the right speed for optimal results

Specifications

Design specifications
