PHILIPS

Philips Bagless vacuum cleaner

FC8262/01

- HomeCare

Keep it out of sight!

Ultra-compact, with storage box

- Durable and hygienic plastic box
- Cyclonic dustbin 1 litre
- 1600-Watt motor generating 300 Watts max. suction power
- Telescopic metal tube
- HEPA filter for excellent filtration of the exhaust air
- Electronic power control

Highlights

Durable and hygienic plastic box

The tailor-made storage box has a partition to store the hose and a tray to store the nozzle, tube and accessories above the vacuum cleaner. Other cleaning equipment, such as cloths, sprays etc., can be stored inside as well. The box has a flat cover to allow storage of other things on top.

Cyclonic dustbin 1 litre

1600 Watt motor

Efficient 1600 Watt motor generates 300 Watt max. suction power for a good cleaning result.

Telescopic metal tube

HEPA filter

This HEPA filter catches harmful microscopic vermin that cause respiratory allergies. To maintain effective filtration, replace the HEPA filter every 6 months.

Electronic power control

The electronic power control on the appliance makes it possible to select the right suction power for the surface you are vacuuming.

Specifications

Usability
