

BUSINESS DEVICES THAT ARE A CLASS APART

ThinkBook combines the style and user experience of consumer devices with the security and business-class support of ThinkPad.

ThinkBook 15 G2 ITL

Smarter technology for all

Lenovo

Designed for young professionals who seek both style and substance in a work device, this sleek 15.6” laptop is surprisingly lightweight yet packed with innovative features for anytime, anywhere productivity. It has a sophisticated design with dual-tone metal top cover, fingerprint sensor integrated power button for a smartphone-like experience and optional Wi-Fi 6 support that enables faster, more secure connectivity. Plus, MIL-STD durability and an all-day battery make it ideal for mobile use.

REASONS TO BUY

Mobile workers will appreciate the impressive 88% screen-to-body ratio that enables a surprisingly large display in a small-form factor. The TUV-certified display with optional 100% RGB colour gamut provides comfort and accuracy when working with small text, graphics or video content.

Optional integrated earbuds is an innovative audio-ready solution. Stored and auto-charged in an in-built tray, it is auto-connected when the tray pops out. Comes with dual mics with environmental noise cancellation.

Smart Power On touch-key replaces the power button, ensuring biometric authentication every time somebody uses the device.

ThinkBook 15 G2 ITL
