MOBILE DRIVE XXS LEATHER

MOBILE HARD DRIVE / 2.5" / USB 3.0

Compact, ultra-fast, stylish and original

As a professional user you want to be able to always carry your valuable (business) data with you. If you are a business-executive looking for "not just another external mobile hard drive"- the Freecom Mobile Drive XXS Leather is your hard drive of choice! It is ultra compact and extremely easy to use, and thanks to its distinctive black leather "enclosure" it adds that extra touch of style! This USB powered portable hard drive makes transporting and sharing data easier than ever. Simply plug the Mobile Drive XXS Leather, with its conveniently small USB cable, into any computer's USB port and take your spreadsheets, documents, presentations or other files anywhere you go. Thanks to the new, ultra-fast USB 3.0 interface, transferring large files is now done in a matter of seconds. The XXS Leather also connects to USB 2.0 ports, so you can use the drive on any PC or Mac without any hassle.

The Freecom Mobile Drive XXS Leather is the latest development in Freecom's ongoing pursuit of making storage more accessible, useable and convenient. The unique black leather 'enclosure' with its distinctive orange stitching makes it the perfect storage accessory for the modern business executive. Connect the XXS Leather to your notebook during a business meeting and it is guaranteed to turn heads! It also comes with a compact sized USB cable – all you need to connect and use the Mobile Drive XXS Leather on your notebook or PC. Gone are the days where multiple connection cables create a mess when stuffed inside your notebook bag. The Mobile Drive XXS Leather has it all – easy to use, reliable storage expansion with a touch of executive style!
