Hue Dimmer switch

Hue

- Wireless installation
- Battery powered
- Easy access to light recipes
- Use as a remote control

8718696743157

Control your lights

Control and dim your lights with a Hue dimmer switch. Both a wall switch and remote control, this smart switch attaches easily to walls with the included adhesive and can be removed from the magnetic base to use as a remote control.

Limitless possibilities

- Switch between light scenes
- Brighten and dim your smart lights
- Mount the dimmer switch anywhere
- Connect up to 10 smart lights
- Use as a remote control dimmer

Issue date: 2025-12-24 Version: 0.504

Highlights

Switch between light scenes

The smart Dimmer Switch allows you to toggle through four light recipes by simply pressing the "on" switch. Energise, Concentrate, Read, and Relax are programmed by default and you customise your selection in the Hue app.

Brighten and dim your lights

The Philips Hue Dimmer switch allows you to wirelessly turn your lights up high or down low.

Mount anywhere

The Philips Hue Dimmer switch functions as a normal wall switch and dimmer – but better. In addition to mounting with screws or strong adhesive tape, you can remove the magnetic control and carry it with you anywhere.

Connect up to 10 smart lights

With the Philips Hue wireless dimming kit for smart lights, you can connect up to 10 lights to control simultaneously from a single dimmer switch.

Use as a remote control dimmer

The Hue Dimmer switch is magnetic and can be removed from the base plate, allowing you to use the dimmer switch as a handy remote control.

Specifications

Design and finishing
- Material: Synthetic

Environmental
- Operational humidity: 5% <H<95% (non-condensing)
- Operational temperature: -10 °C – 45 °C

Extra feature/accessory incl.
- Portable: Yes

Guarantee
- 2 years: Yes

Product dimensions and weight
- Overall height: 92 mm
- Overall length: 11 mm
- Overall width: 35 mm

Service
- Warranty: 2 year(s)

Technical specifications
- Number of configurable buttons: 2
- Weight: 37
- Battery type: CR2450
- IP code: IP20 | Finger-protected

The bulb
- Software upgradable: Yes
