Sliding shelf for 600 mm depth 19" rack

Item no.: LVR241040

PRODUCT OVERVIEW

The fixed vented rack mountable sliding shelf offers a simple way to install non rack mountable equipment into a rack cabinet.

The ventilated shelf design improves air flow and helps lower temperatures in the rack.

The ability to switch from a sliding shelf, to a sliding shallow drawer by mounting it upside down provides versatility for handling various storage needs in the rack.
