0466775712 76

Easy smart lighting

Bring smart light anywhere in your home with two E26 smart LED bulbs offering soft white light. Suitable for most light fixtures, these bulbs offer instant wireless dimming. As bright as a 60 W bulb.

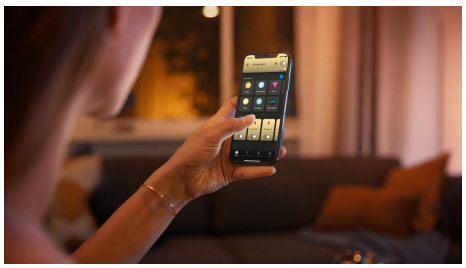

Easy smart lighting

- Control up to 10 lights with the Bluetooth app
- Control lights with your voice*
- Set the right mood with soft white light
- Unlock the full suite of smart lighting features with the Bridge
- Comfortable, soft white light

Issue date: 2026-03-07 Version: 0.209

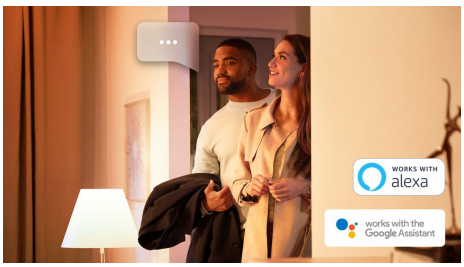

Highlights

Control up to 10 lights with the Bluetooth app

Philips Hue with Bluetooth is the easiest way to get started with smart lighting. Set the mood instantly with Bluetooth-enabled light fixtures and the Hue Bluetooth app, which allows you to control up to 10 lights in a room.

Control lights with your voice*

Philips Hue works with Amazon Alexa and the Google Assistant when paired with a compatible Google Nest or Amazon Echo device. Simple voice commands allow you to control multiple lights in a room or just a single lamp.

Set the right mood with soft white light

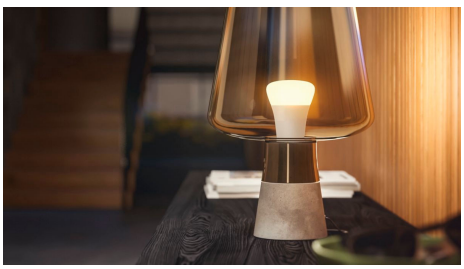

Hue bulbs and light fixturesuse a soft white light. Dimmable from bright daylight to low nightlights, these smart lights allow you to fill your home with just the right level of warm light when you need it.

Unlock the full suite of smart lighting features with the Bridge

The Bridge unlocks the features that make smart lighting truly smart — away-from-home control, voice control, automated lighting, and much more. Add a Bridge to your setup to create immersive experiences, tap into technology that's secure and reliable, and more. The Bridge is the key to smart lighting like you've never seen before.

Comfortable, soft white light

With a brightness comparable to a traditional 60 W bulb, these bulbs provide a sufficient level of white light that is bright enough to read on the couch, listen to music, or simply relax in your bedroom.
