LogiLink®

USB Mono Headset with Microphone

Art. No.: **HS0056**

Enhance Better Customer Connection

Give you the freedom to make hands-free calls; works on all operating systems and platforms via a USB plug with convenient in-line volume/mute controls. Designed for customer service & support, call centers, etc. Ensures people on both ends of the call can hear each other clearly without distraction.

- Inline Controls
- Microphone
- Mute Function
- USB Plug
- Lightweight
- Universal Compatibility

Crystal Clear Sound

High quality and crisp sound for clear voice and video calls, music and more. An essential headset for personal use or at the office.

One Size Fits All

The headset with adjustable headband and soft foam ear cushions is extremely flexible giving you hours of comfort.

Flexible and Rotation

The microphone can be positioned for better voice capture.

Convenient Controls

In-line volume/mute controls on the headset cable allow you to adjust quickly the headset volume and easily mute or unmute calls when you needed.
