Electrolux

EVFK1

Keep your food fresh up to 5x longer*
Powerful and versatile vacuum pump with air-tight food containers ensuring your food stays fresh up to 5x longer.*

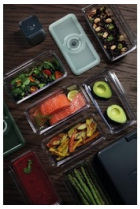

Përfitime dhe karakteristika

VERSATILE & POWERFUL DESIGN
With the power of a tabletop vacuum sealer the rechargeable vacuum pump creates the ideal vacuum for your type of food. For continues use of up to 150 times on one charge

Intuitive and easy to use
One-touch operation - the vacuum pump automatically stops when the right vacuum is achieved.

Better food storage
Safe and protective food storage system for fresh food and leftovers - keeping pantries and fridge organized. Comes with integrated date recorder to stay on top of food storage life.

BPA FREE AND FOOD SAFETY APPROVED
Made of nontoxic and food safe materials. Protecting your food in the best way possible. The food containers are also freezer and dishwasher safe.

Fits into the Electrolux CustomFlex® Refrigerators
Food containers are suitable to hang into the CustomFlex® Refrigerator system.
