• Cable length: 2 meters

DESCRIPTION

Use the EW9916 USB-C to Lightning cable for charging, synchronizing and data transfer of your Apple Lightning device (iPhone, iPad or iPod). The EW9916 is officially Apple MFI certified and has Power Delivery support.
Fast charging with Power Delivery support
Does your device support Power Delivery? Use a USB-C charger with PD support to charge your device up to 3,5 times faster (0-50% in only 30 minutes).
Apple MFI certified
The EW9916 USB-C to Lightning cable is MFI certified. This means that the cable officially is approved by Apple.
No PD support? No problem! Charge at normal speed
Is Power Delivery not available on your device? No problem! You can charge your device at normal speed.
