## Small Computer Desk with Keyboard Tray - Get set up to work well in almost any small space

The Manhattan Compact Desk with Slide-out Keyboard Tray gives you a convenient place to get work done, whether that's on a laptop/PC or using a pen and paper, in any office, home office or area where space is limited and you just need a desk.

### Sleek, modern design

While the desk may be small, you have ample room to work on its smooth desktop surface, which is 37 cm (14.5 in.) deep and 59 cm (23.2 in.) wide. The slide-out keyboard tray adds space to hold a keyboard, mouse and more, so you can keep your work area tidy. The included bottom storage provides another area to store a computer tower, a printer, or whatever else you might need to tackle the day's tasks.

## Durable, Strong and Able to Move

The Manhattan Compact Computer Desk with Slide-out Keyboard Tray provides
