DESCRIPTION

- Powerful portable speaker equipped with double subwoofer 8" and 300W of peak power.
- Superb sound and lighting effects and throw a party anywhere thanks to its integrated battery.
- Compact design along with the telescopic tube and wheels make it a total portable device.
- It features several playback options to play your music the way that you prefer:
- Compatible with 5.0 Bluetooth Technology: Connect your device via Bluetooth and play your music with the best sound quality
- Aux Input: Connect any external audio source through through an Audio cable.
- Audio USB input: Plug in a USB flash memory and play all your digital files.
- Compatible with True Wireless Stereo Technology: pair wirelessly simultaneously two devices from the Wild Rave at once and increase the sound power
- It features a rechargeable battery that can keep the music playing up to 10 hours (50% volume), that may vary depending on the volume you play the music.
- Bring a feast-oriented environment with the built-in multi-colored LED speaker lights. With different speaker patterns syncing to the beat of your favorite tracks.
- It includes several lighting modes to light your party.
- Includes microphone and guitar inputs to bring out the artist in you.
- Incorporates a wired microphone for your Karaoke sessions.
- Super Bass function to enhance the bass to an amazing new level.
- Treble and house-shaking Bass Control for easy high and low tone settings.
- Outstands for its ease of use and convenience.
- Remote control included
