FEATURES

Anti-Flicker technology

MSI Anti-Flicker technology provides a very comfortable viewing experience by reducing the amount of screen flicker.

Less Blue Light

Effectively reduce blue light which could cause serious long-term damage to your eyes.

10-Point Touch

Enjoy the extraordinary and superior performance with the most optimal 10-point touch.

Silent PRO Colling

3 independent chambers with exclusive thermal module provide the best solution while rendering, editing and multitasking

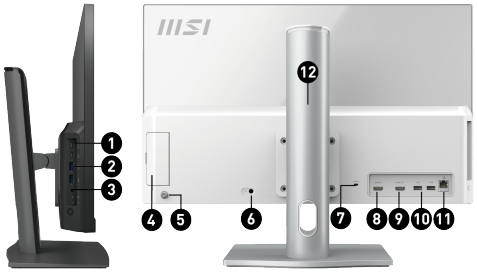

VESA Mountable

To be mounted on the wall of your office & home with a VESA standard design which can make it completely invisible on a desk.

Easy to upgrade

Easy to access and upgrade components to keep the system up to date with the latest hardware.
