Ortronics

TechChoice Flat - Standard Density Patch Panel - 24 Ports / Unloaded

Part No. SPKSU24

TechChoice patch panels combine the reliability and ease of installation you'd expect from Legrand with performance and rugged construction to provide a cost-effective option for communications technicians.

Features & Benefits

Recessed angled design: Directs cords more easily to vertical management.

High density design: Maximizes rack utilization.

Silkscreened port numbers on face of panel: Easy port identification.

Accepts TechChoice Keystone jacks: Supports for copper, fiber, and A/V.

Jacks rear load into panels: All terminations done from rear of panel.

Patch panel rear wire managers sold separately

Specifications

General Info
